

## 32 point DC24V input module (Source/Sink type)

Model		DC input module																																																																																																									
Specification		XBE-DC32A																																																																																																									
Input point		32 point																																																																																																									
Insulation method		Photo coupler insulation																																																																																																									
Rated input voltage		DC24V																																																																																																									
Rated input current		About 4 mA																																																																																																									
Operation voltage range		DC20.4~28.8V (ripple rate < 5%)																																																																																																									
Input Derating		Refer to Derating diagram																																																																																																									
On Voltage/Current		DC 19V or higher / 3 mA or higher																																																																																																									
Off Voltage/Current		DC 6V or less / 1 mA or less																																																																																																									
Input resistance		About 5.6 kΩ																																																																																																									
Response time	Off → On	1/3/5/10/20/70/100 ms (set by CPU parameter) Default:3 ms																																																																																																									
	On → Off																																																																																																										
Insulation pressure		AC 560Vrms / 3 Cycle (altitude 2000m)																																																																																																									
Insulation resistance		10 MΩ or more by Megohmmeter																																																																																																									
Common method		32 point / COM																																																																																																									
Proper cable size		0.3 mm²																																																																																																									
Current consumption		50 mA (when all point On)																																																																																																									
Operation indicator		Input On, LED On																																																																																																									
External connection method		40 pin connector																																																																																																									
Weight		60g																																																																																																									
Circuit configuration			No.	Contact	No.																																																																																																						
			Contact	Type
